

LIBRARY SERVICES AND TECHNOLOGY ACT (LSTA) SPENDING

\$7,131,944

LSTA FUNDS RECEIVED IN LAST 3 YEARS
(2019, 2020, & 2021 AWARDS)

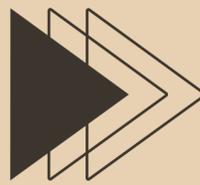

FACILITATING ACCESS TO RESOURCES AND INFORMATION

Managed the Statewide Database Program, enabling Oregonians to access quality research material and learning resources regardless of location.

5,000,000 +

RETRIEVALS OF ARTICLES AND RESOURCES FROM STATEWIDE DATABASES

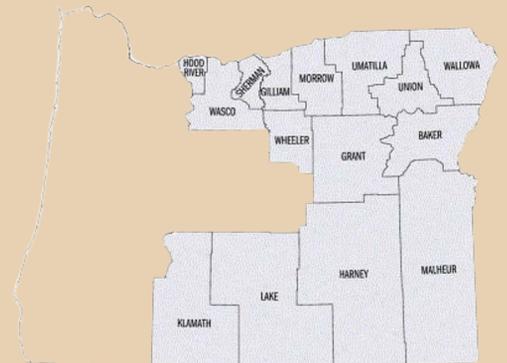

Subsidized the Sage Courier, which transports materials between 77 libraries in Eastern Oregon.

TRANSPORTED

621,002

ITEMS ACROSS 15 RURAL COUNTIES

PROMOTING LITERACY, EDUCATION, & LIFELONG LEARNING

Partnered with the Oregon Association of School Libraries on the Oregon School Library Information System (oslis.org), a site that gives K-12 students and teachers across the state access to vital research tools and information.

Oregon School Library
Information System

Learn to Research. Research to Learn.

“This is one of the best tools ever. ...Truly has made my job so much better and provides such great resources for the students!”

HIGH SCHOOL LIBRARIAN

Awarded small grants to libraries to engage underserved teens in their community.

6

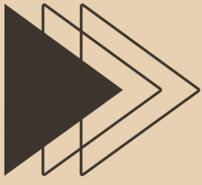

teens from Banks Public Library built a sustainable community garden to raise food for the local food pantry, and learned skills in gardening, irrigating, harvesting, and construction.

BANKS TEEN WITH FRUIT FROM THE COMMUNITY GARDEN

LSTA SPENDING (CONTINUED)

ENSURING PRESERVATION OF KNOWLEDGE

Partnered with Washington State Library and Oregon Heritage Commission to create Northwest Digital Heritage (northwestdigitalheritage.org), a place for libraries, museums, and cultural heritage organizations to share their local history collections.

Gave grants to libraries to digitize 18 historic Oregon newspapers through a partnership with the University of Oregon Libraries' Oregon Digital Newspaper Program (oregonnews.uoregon.edu).

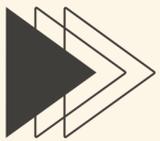

BOOKMOBILE SERVICE IN MODEL T-STYLE CAR, MULTNOMAH COUNTY LIBRARY

“We are grateful for this opportunity to preserve Scio's historical newspapers and provide access to the content not only to those in the Scio community, but also to the larger community of those interested in Oregon's history.”

SCIO PUBLIC LIBRARY

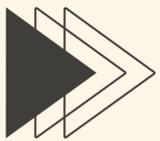

IMPROVING LIBRARY OPERATIONS AND WORKFORCE

Hosted a data fluency cohort facilitated by the Urban Libraries Council to help public libraries access, analyze, and use data to better understand and address community needs.

“I am now more confident in presenting understandable data that tells a story that my board can understand and use to make informed decisions.”

COHORT PARTICIPANT

Awarded grants to small, rural libraries to upgrade their technology and create community spaces for meeting, learning, and working.

3

YEARS THAT LOWELL PUBLIC LIBRARY CLOSED DUE TO STORM DAMAGE PRIOR TO RECEIVING A GRANT

“These grants have enabled us to purchase all of the basic IT hardware and infrastructure needed for us to restart our library. ... It would not have been possible for us to open the library without your contribution.”
